

Membership Pricing Guide for the 2012 / 2013 Season

Matchpoint offers two levels of membership which differ in their annual fee, club-night fee and team eligibility:

Bronze ("Pay and Play") A small annual fee covers the member for insurance purposes and allows them to be eligible to play as a team reserve. This is coupled with a small club-night fee.

Gold The top tier "Annual" fee offers the full benefits of Bronze Membership plus is offset by NO club-night fee.
That's right - club nights are free to gold members!

Concession *	£25 + £3.00		£60 + FREE

A £10 reduction per person is made where *BadmintonEngland* and Hampshire fees are paid elsewhere.

The **first** Club Night is **Free** for new members.

Pay & Play Club Nights are £4.00.

Yearly membership fees can be paid in two halves: the first by the end of September, the second by the end of December. Due to high cash flow requirements for the club at the start of the season, this option will carry a £10 surcharge.

Additionally, a LATE payment surcharge of £10 will be levied to any outstanding fees from 1st January 2013.

Members who choose to pay the Bronze fee will **NOT** be considered for full team selection, but may be selected as a reserve if they so wish!
